SUBJECT : Policy re Purchase of Land for [REDACTED]
STATSPEC

REFERENCE : Memo dtd 3 Feb 53 for DD/A fr C/P&SO, same subject

Appropriate steps should be taken with the Department of State to insure that record arrangement provides for our occupancy regardless of their needs until the housing is surplus to our needs; otherwise, with the title of the land running to the Department of State, we could lose possession by unilateral action on their part.
